

Position Title: Part-Time PRAXIS Trainer

The Center for Social Innovation (C4) is a woman-owned, mission-driven small business. C4 is a community of clinicians, social scientists, policy analysts, consumers and educators dedicated to using knowledge creatively to improve the lives of vulnerable populations. Through training and technical assistance, research and evaluation, and web-based communications, C4 applies knowledge of best practices in human service delivery to real world settings in the areas of housing and homelessness, behavioral health and recovery, trauma, and other issues our staff cares about deeply.

C4 is committed to creating and maintaining a diverse workforce. We actively encourage applicants from minority racial and ethnic backgrounds, as well as historically marginalized groups; this includes but is not limited to lesbian, gay, bisexual, queer, people who identify as transgender or non-binary, people living with disabilities or serious mental health conditions, and lived experiences of homelessness or recovery from substance use disorder. C4 is an affirmative action-equal opportunity employer.

C4 is seeking a Part-Time On Call (PTOC) trainer for the Praxis team with expertise in substance use disorder treatment and training/technical assistance.

Responsibilities:

- Deliver training to providers in BSAS-funded treatment programs, using adult learning principles and interactive strategies.
- Deliver technical assistance on strategies for implementing harm reduction practices and HIV/AIDS, viral hepatitis and opioid overdose prevention education in BSAS-funded treatment programs.
- Conduct needs assessments with individuals and organizations to identify, develop and deliver outcomes-based technical assistance and training.
- Create products including online curricula, toolkits, manuals, user guides, and assorted other training and resource materials, and manage/comply with product deliverable timelines.

Education and Work Experience

- Expertise in teaching/training adult learners in knowledge and skills required for improving work competencies.
- At least 3 years of experience working within a substance use disorder treatment agency as a provider, supervisor, administrator, technical expert, and/or a technical assistance provider.
- Experience working with the Bureau of Substance Abuse Services (BSAS) in Massachusetts is preferred.

- Expertise in the delivery of services and evidence-based practices for the treatment of substance use disorders and working with families and youth in system level service planning and delivery to support recovery.

Other Requirements

- Strong public speaking skills and ability to write, peer review, and publish content-related articles.
- Ability to conceptualize, analyze and follow-through with multiple, competing priorities.
- Excellent verbal and written communication skills with ability to lead, facilitate, and participate in collaborative partnerships.
- Excellent computer skills and familiarity with PowerPoint and/or other presentation software.
- Ability to drive/travel to programs throughout the Commonwealth of Massachusetts.

Location: The Center for Social Innovation’s main office is in Needham, Massachusetts. We also have employees living across the U.S. The position is a Massachusetts-based position.

Hourly rate: \$25-\$30 (~20 hours per month)
