

## BRINGING RECOVERY SUPPORTS TO SCALE

*Technical Assistance Center Strategy (BRSS TACS)*

**Marnie Fougere, AS, CPS**, has been a Project Coordinator on the Community Voice Policy Team at The Transformation Center in Massachusetts since 2013. She organizes leadership opportunities for peer advocates so that deaf, hard of hearing, and deaf/blind peer support can blossom. Bringing attention to both language and cultural access, Ms. Fougere coordinated community leadership in a video series and white paper project for the National Association of State Mental Health Program Directors on the deaf community and peer support. A New Englander for most of her life, she is active in recovery from lived experiences and mental health diagnoses and graduated with honors from Bunker Hill Community College in 2012.
